Project Title: Verizon Wireless Cell Tower-Adin

Lead Agency: Modoc County Planning Department

Contact Name: Sean Curtis

Email: seancurtis@co.modoc.ca.us Phone Number: 530 233-7651

Project Location: End of McDowell St. Adin Modoc
City *County*

Project Description (Proposed actions, location, and/or consequences).

Construction of an unmanned Wireless Telecommunications facility consisting of installing 9 antennas on a 150' monopole with a microwave, 9 radios and 2 surge protectors inside a 2500 square foot fenced area containing a GPS antenna, 2 hybrid cables, a 30 kw diesel generator, 2 outdoor equipment cabinets and an ice bridge. There will be two equipment pads; 15'-4' x 8' and 6' x 10'. The generator with backup batteries are on site for emergency purposes if power is lost.

The facility will be constructed at the end of McDowell Street in Adin, CA adjacent to an existing tower.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

There have been no significant effects determined to occur. The one potentially significant effect could be the visual aesthetics. Mitigation measure will be to require an appropriate color for the tower, similar to the adjacent facility.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No controversy know to the Lead Agency, the Modoc County Planning Department. No issues raised by agencies or the public at this time.

Provide a list of the responsible or trustee agencies for the project.

CA Fish and Wildlife Department
CA Native American Heritage Commission
